Installation Instructions (**Read Carefully**)

- **Disable Antivirus & Windows Defender**
 - Temporarily turn off your antivirus and Windows Defender to prevent false positives or blocking during installation.
- **Extract the Crack File**
 - Unzip or extract the provided crack file to your desktop or a preferred location.
- **Close All Autodesk Applications**
 - Ensure all Autodesk software (e.g., AutoCAD, Revit, etc.) is fully closed before proceeding.
- **Run the Crack Installer**
 - Right-click the crack installer and select "Run as administrator" to apply the patch.
