

Leading Innovation with Future-Ready Food Technology

Food Buddies is a leading food processing consultant in India, providing comprehensive solutions for entrepreneurs across all stages of processing, from primary processing to advanced, value-added techniques. We ensure food safety, preservation, and quality in full compliance with FSSAI and global standards.

Let's co-create your success story

Book Now

Beverage Processing

With over 10 years of expertise, we provide industry-grade support in food manufacturing, helping you navigate the complexities of food processing with ease, from product development and processing to manufacturing and packaging.

Turnkey Setup with 2D/3D Plant Layouts

From feasibility analysis and detailed plant design to machinery procurement, installation, and production trials — we deliver comprehensive, turnkey factory setup solutions, enabling you to launch your food manufacturing unit with confidence, speed, and operational efficiency.

Custom-Built Plants for any Food Category

Whether you're establishing a facility for beverages, snacks, dairy, bakery, or nutraceuticals, our factory setup solutions are custom-designed to align with your specific product category, production capacity, budget, and regulatory requirements.

FSSAI, GMP & Export-Ready Compliance

We ensure your facility is fully compliant with national and international food safety standards — including FSSAI, GMP, ISO, and export regulations — with end-to-end support for documentation, licensing, and audit readiness.
